

BATTERY SPRAY BLOWER**Air-supported spraying with «Accu-Power»**

The new technology from Birchmeier. A new dimension to plant protection: Spraying with pressure-controlled liquid supply in an air stream. A large spraying range can be achieved with pre-spraying and a variable air stream. A minimum loss of spray solution and a long reach is the result. The air stream also causes the targeted leaves to move, providing optimum wetting and penetration of foliage and shrubbery. The AS 1200, powered by an additional battery, is combined with a sprayer from the «Accu-Power» line. The spray blower is extremely powerful, easy to operate and impressively quiet.

- ❖ Adjustable air stream
- ❖ Specified pre-spraying
- ❖ Configurable flow rate
- ❖ Evenly distributed droplet spectrum
- ❖ Optimum target penetration
- ❖ High level of target area efficiency
- ❖ Improved use of active ingredients

Technical Specifications:-

Volume flow	Max. 1200 m³/h
Blowing force	Max. 19 N
Range	1 – 13 m
Airspeed	Up to 65 m/s
Pressure range	0.5 – 10 bar
Battery	Li-Ion 25.2V/9.8Ah
Running time	0.15 – 3.5 h
Charging time	< 3 h
Weight	3.5 kg
Dimension (L x W x H)	464x160x304mm

Marketed in India By:
